TAKE CARE!
WHAT EXACTLY HAPPENED?
WHO SHOT THIS ARROW?
There was a man in the mayor's garden, and he noticed me.....
My gosh!!!
He shot me before I could react....
Probably the mayor

What do we do? The toy store isn't here!
Let's hurry and go to the hospital!
NO!
IF THAT GUY REALLY IS THE MAYOR, THEN WE CAN'T GO TO THE HOSPITAL!
Ka-Dang

AND WE HAVE TO HIDE THE GOGGLES AND THE GUN PROPERLY!

We have to find a black market doctor-
You mean a doctor with no license?!
SHH
Hey,
You're looking for a doctor, right?

I'm a doctor ah~
AH~!
NO! NOT AT ALL!
Really? But, that girl has already passed out from excessive blood loss!
Wah~
Miau Zzz~?
Do you guys need my help?

Aaah~ I've finally finished stitching up the wound!
Young lady! You may sleep now. Rest well!

Doctor, she's fine, right?
The wound is already sewn. Once the anesthetic wears off, she will wake up.
But since her nerves got damaged, her hand might tremble as a side effect.
Huh? Didn't you treat her properly?!
I'm just telling you the worst case scenario!
Here is the bill. Please pay up~
Anesthesia fee, emergency treatment fee...
Overtime fee, healing fee?
OLD MAN! WHAT'S THE HEALING FEE!

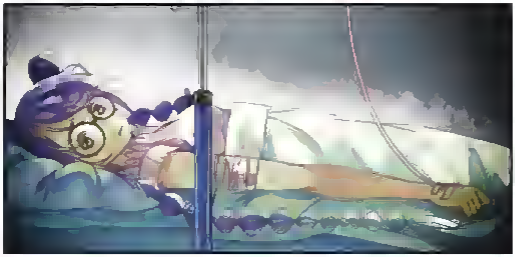
GLARES
DON'T LOOK AT ME LIKE THAT! WE'LL PAY! WE'LL PAY!
But, but!
Luomo, such an huge amount of cash..... How can we pay it...
We were forced to quit our studies in the East
I have no way of going back home. I don't even know what I'll do in the future....so...

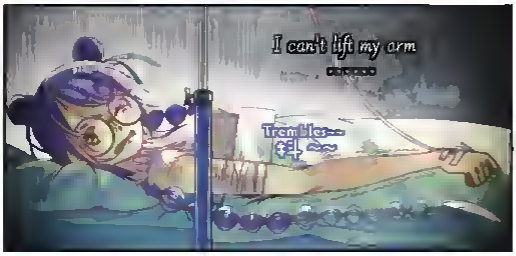
So~
You guys don't have any money, is that it?
No money, right?
I see that you look very lovely...
WOOO

DUANG!
哎
OUCH~!

HOW DARE YOU DO THAT IN FRONT OF ME!
If you want money! Then we'll earn cash to pay you. No matter what
STOP! ENOUGH WITH THE BAD SCHEMES!
You have misunderstood my intentions
In fact, you guys can go there by yourselves
Tomorrow afternoon from 12 00-4 00 go to the building next door. Go to the 56th floor, room number 00.
00
The people in there will introduce you to jobs and housing options

I only wanted to say that it's easier for a lovely girl to find a job. You better get in line early.
As for the bill, you may pay me when you've earned enough.
Shiver~
WHAT? He was actually... ...a good person?!!
Wakes up





Unfortunate
things
always
happen
to

As

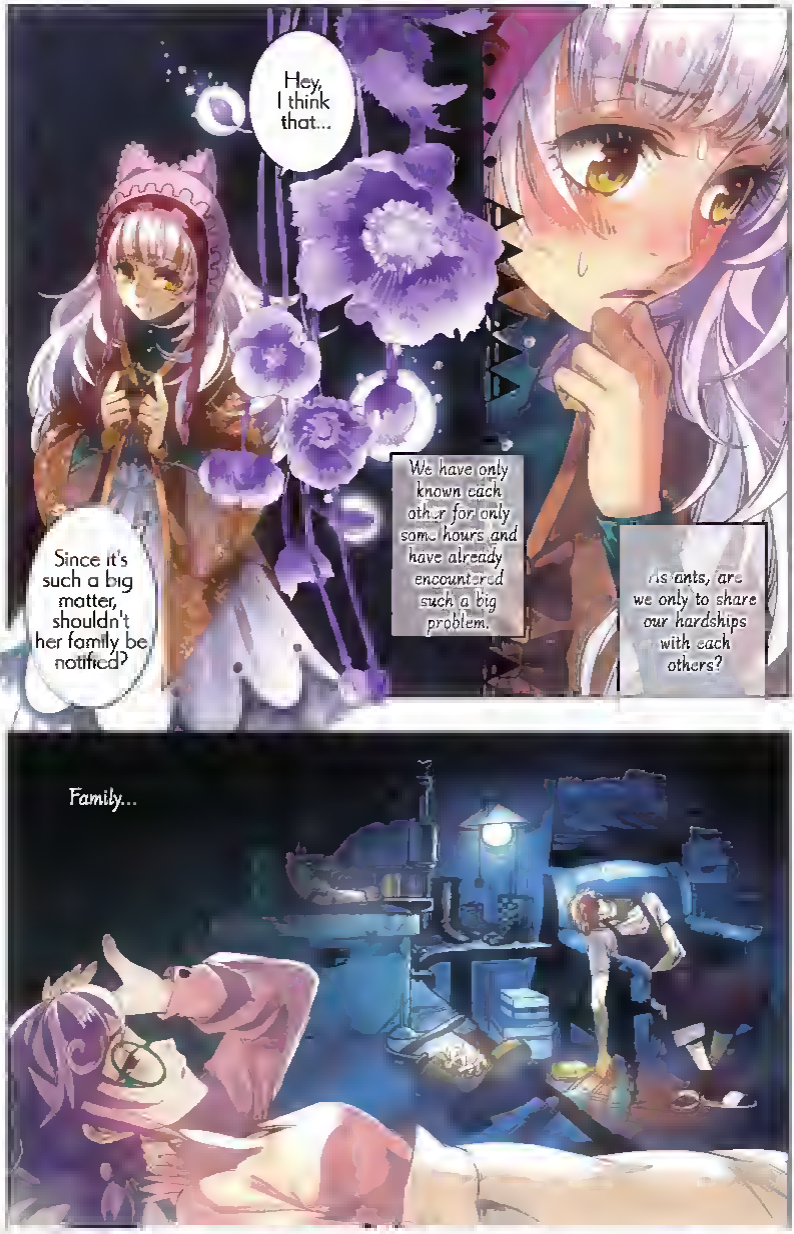
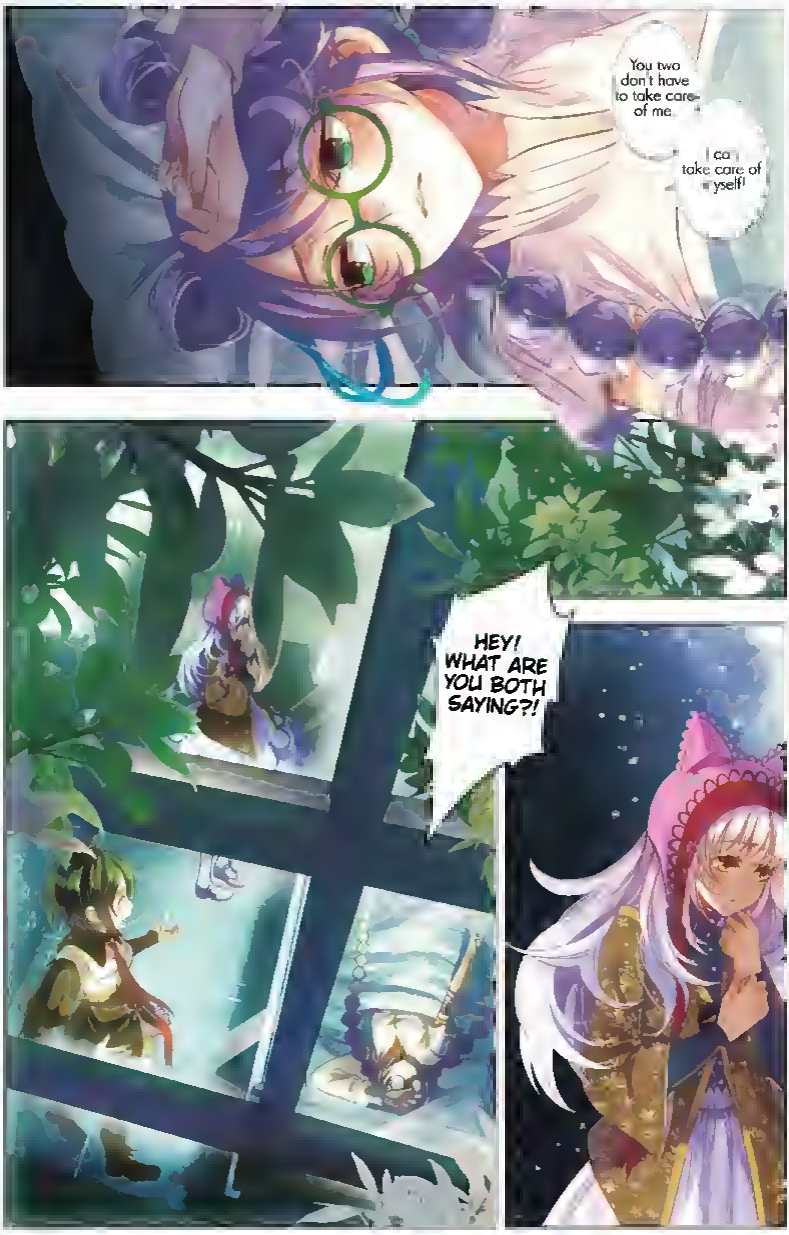
WITHOUT ME, YOU'RE USELESS!
YOU'RE HOPELESS!
YOU'RE USELESS!

Mion ZooEr
You're awake~
Is my hand paralyzed?
Huh?
Don't worry so much. It will get better after a while~
But..... I can't lift my arm. Also, it hasn't stopped trembling...
YOUR ARM IS DEFINITELY FINE! AND IF THERE IS SOMETHING WRONG
We'll find the best doctor to heal you!
And, we'll take care of the hospital fees for you!
We are also responsible for this.
AH?
We can't just let her go through this by herself, right? Ji Gui



Hey, I think that...
We have only known each other for only some hours and have already encountered such a big problem.
Assistants, are we only to share our hardships with each others?
Since it's such a big matter, shouldn't her family be notified?
Family...



You two don't have to take care of me.
I can take care of myself!
HEY! WHAT ARE YOU BOTH SAYING?!

Flap~Flap~
Mr. Mayor, look at this!
This is a video from a subway surveillance camera.
Look, this little girl is the one who tried to attack you yesterday, right?
通缉令
I have already prepared the wanted warrant.

Yes! That's her!
Take it away!
It looks extremely hideous!
Apa!
We still live in a hopeless society.

However, the restraining order is the only law that can save this civilization!
As long as there is poverty, the restraining order will have to remain!
